ABOUT **US**

We are delighted to introduce our company named PT. FAZZA INDO OMAIRA. We specialize in exporting premium commodities within our region. Given the abundant natural resources in our area, our primary goal is to introduce the commodities from our region to the global market. Hence, we established this company in 2023.

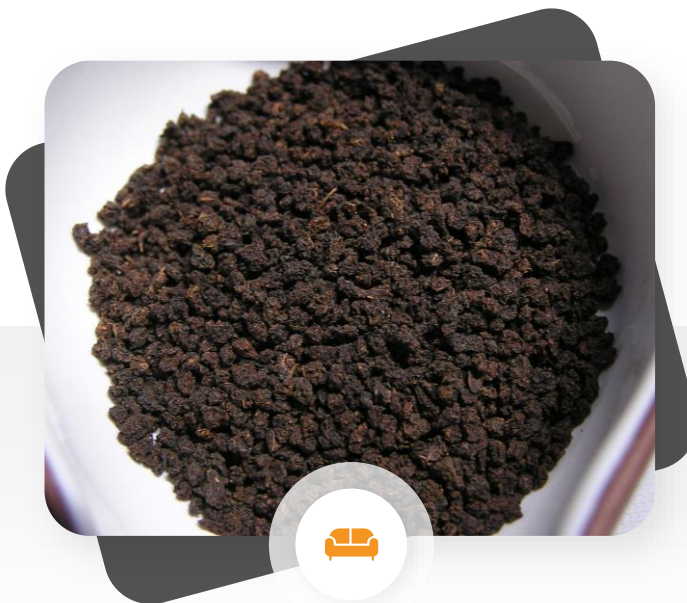

Although we are new to the export sector and have not yet undertaken prominent projects in this industry, we believe that our products or services offer significant value to meet your needs. We are committed to providing quality solutions and excellent service, and we are ready to work hard to build a solid reputation between both parties.

A wide-angle photograph of a tea plantation on a hillside. The tea bushes are arranged in neat, terraced rows that follow the contours of the slope. In the background, there are misty mountains and a small wooden pavilion with a thatched roof on a ridge. A single tree stands near the pavilion.

Mount Dempo tea production is carried out with in-depth expertise and using the latest manufacturing equipment, including sophisticated Tea processing machines and strictly controlled drying techniques. We ensure that our raw materials come from well-maintained tea gardens around mount Dempo, and our supply base is quality assured to produce high-quality Tea that meets international standards
